BSCNZ CLEANSWEEP™ AWARDS – 19 MAY 2016

EXCITEMENT BUILDS FOR NZ CLEANING INDUSTRY OSCARS

It's been a very busy few weeks while the judging for the Awards has been taking place all around the country but the finishing line is now securely in sight as the judging will be completed this week. We'd like to thank everyone who has participated and welcomed Ian Ris into their places of business over this period.

It's now just under three weeks to go, until the BSCNZ CleanSweep™ Awards in

association with Staples take place and excitement is building as we make final preparations for our very own industry Oscars event. Just like the Oscars, this will be a formal red carpet occasion and a business / formal dress code applies. Whether a tailored suit or a cocktail dress, you and your team will want to look your best as there will be a photographer on hand to capture your arrival and throughout the evening for team photos. Register for the expo and get your dinner tickets now so you don't miss out! Either a single ticket or a table of ten.
