CleanNZ™ Expo 2026 is now part of New Zealand's largest facilities event

We're excited to announce that CleanNZ™ 2026 will be integrated into the Facilities Integrate event, co-located with BuildNZ and the National Safety Show, taking place on 15–16th July 2026 at the Auckland Showgrounds. This strategic alignment places the commercial cleaning industry at the heart of New Zealand's largest gathering of property, facilities, and system integration professionals.

CleanNZ™ will feature as a dedicated zone within the expo, showcasing the strength and scale of our industry — a \$1.25 billion sector employing over 29,245 workers nationwide. This is the industry event of the year, offering unparalleled exposure to decision-makers and buyers across multiple sectors.

With CleanNZ™ now part of this high-performing event, exhibitors will benefit from increased foot traffic, targeted exposure, and the opportunity to connect with a broader audience of facilities professionals, property managers, and commercial clients.

Secure your stand today and be part of the movement that's raising the profile and standards of New Zealand's commercial cleaning industry.

Learn more about the latest technology and explore new ideas by meeting and talking to leading suppliers.

Facilities Integrate, co-located with BuildNZ and The National Safety Show, is New Zealand's largest trade event for the facilities management industry.

It brings together key decision-makers and buyers to discover and try the latest equipment, connect with top suppliers, network with potential business partners, and stay informed on the latest industry developments.
